

DAVIS BLUE DEVIL FOOTBALL BACKERS

MISSION

The Davis Blue Devil Football Backers, a 501(c)(3) non-profit organization, are dedicated to building character, courage and loyalty in the student-athletes on the Frosh, JV and Varsity football teams. The Backers support the football and cheer programs through a variety of activities that provide community events and much-needed financial aid to the football program's budget to cover expenses not funded by the school district.

BACKERS' GOALS

The primary objective of the Davis Blue Devil Football Backers is to assist in maintaining a quality athletic program that enriches the student-athlete's high school experience. The Backers are an active partner with the coaching staff and school administrators, working hard to maintain a positive environment for the student-athletes of the Davis High School football and cheer programs.

FUND RAISING

The Davis Blue Devil Football Backers are behind a variety of initiatives that generate critical funds for the football and cheer programs. Family Backers memberships, sponsorships and advertising from local businesses, and special events help generate necessary operating capital each year. Activities such as Blue Devil card sales, lift-a-thons, and game concessions provide additional funding.
